Chapter 1 by Reagan Henderson

"I told you not to come back here." Said an officer. Police were investigating a murder scene that had happened only a month ago, and not any report of the criminal or any evidence that it was murder, suicide, or just an accidental death. "Sir, let us help. We may be able to help." Juli said. Juli had straight, long, black hair. She had green emerald eyes that had helped her get through things when she got into trouble. She wore her gray t-shirt, blue jeans, and red jacket. Her skin was tan. "Officer, please. Trust us." Yukomi had said. Yukomi had short, neck-length, silver hair. She had pale skin, shimmering blue eyes. She wore her black t-shirt, black sweat pants, Nike tennis shoes, and even wore a hat to protect from the sun. Yukomi usually put her hat on then put on a hoodie over top of the hat. Juli never understood why.

"No can do girls, private investigation only." Said the officer shaking his head. "Besides what help can you two do? You're just two school girls." Said the officer. "Fine. Be that way. We'll find a way to help. You'll see." Said Yukomi walking away. Juli followed. Juli glanced back at the officer who lit a cigar and smoked. Juli shuddered from the smell of tobacco. Little did they know, the officer had actually been a spy. A spy of The Order. A company who stole special children. Children with powers. Like The Gate Keepers. And little did the everyone in town and school know their

name and identity. Juli and Yukomi were 2 of the 7 Gate Keepers in town. They now had to find the rest of them. Yukomi knew 1 of them. They had to find Kilo, Mica, Mioni, Yuro, and Yatomi. Yatomi, as far as Juli knew, was dead. They once had a brother. Who one day, without warning, had disappeared. Juli never saw him ever since. Juli has never known and she will never know until Yukomi finds Yatomi.

"He's right Yukomi, how ARE we going to help? They'll just think we're....freaks." Said Juli gulping at the word 'freaks'. "Juli, calm down. Remember we're 2! 2! Of the 7 Gate Keepers. Remember that. We can get through anything. If we stopped Nightrise from going through those gates, then we can do anything." Said Yukomi not looking back at her sister drudging along. "If you say so...." Said Juli tired.
